Heads Up

Cancer Hair Loss Support Service

Heads Up is a charitably-funded support service for people affected by hair loss caused by cancer treatment. It is provided free to patients and is a partnership initiative between Hywel Dda Health Charities, Cancer Hair Care charity, and the Withybush Hospital Cancer Day Unit Appeal which supports the Pembrokeshire arm of the service.

Do you have questions about hair loss due to cancer treatment?

The caring experts at Cancer Hair Care are here to help patients across Hywel Dda University Health Board to access the Heads Up service.

Here's how we can help:

- Call us on 01438 311322 to speak with a Cancer Hair Care Specialist Advisor
- A FREE pack can be sent to hospital or home (one per patient while stocks last); packs contain helpful hair loss items, e.g. lashes, headwear, scalp care items, etc.
- Email us with your questions
- Join one of our online workshops
- Come along to an in-hospital Heads Up session
- Access our wig support service – we do not provide wigs but can help you with finding a supplier and provide lots of tips on how to wear and care for your wig.
